## Appendix I: Chronological list of Convict Ships arriving at Port Jackson 1788-1849, and Item list of the various Papers for each vessel

The numbering of the vessels is based on that used in Charles Bateson, *The Convict Ships, 1787-1868*, Library of Australian History, Sydney, 1983. The number without brackets refers to vessels of that name; the number in brackets to the voyages of the vessel such as *Hercules II (3)* means it was the third voyage to the colony of the second ship called *Hercules*. Series numbers NRS 1150-56, NRS 1159, NRS 12188-89 and NRS 12192.
